

Crosscut.Elway | Poll

2023 Seattle City Council Election

The Crosscut Elway Poll is property of Cascade Public Media

An independent nonpartisan analysis of public opinion trends in Washington and the Northwest

READING THE CROSS TABULATION TABLES

The cross tabulations found in this report are presented in a “banner table” format. Categories of respondents (e.g. “35-54 years old,” or “Female”) are listed across the top of each page (the “banner”). The questions asked in the survey are listed down the left margin. The figures in the cells are percentages based on the number of respondents in the category at the head of each.

TOPLINE DATA

SAMPLE:	403 Likely Voters in Seattle						
SAMPLE FRAME:	Registered Voter List						
MARGIN OF SAMPLING ERROR:	±5% at the 95% level of confidence						
DATA COLLECTION:	Multi-mode: 97 Land line with live interviewers 143 Cell phone with live interviewers 163 Cell phone text to online survey						
FIELD DATES:	Aug. 21-24, 2023						
CITY COUNCIL DISTRICT:	D1	D2	D3	D4	D5	D6	D7
NUMBER OF RESPONDENTS:	53	63	61	54	60	60	51
GENDER:	MALE: 47% FEMALE: 51% NON-BINARY 2%						
	<ul style="list-style-type: none"> The questions are presented here as they were asked in the interview The figures in bold type are percentages of respondents who gave each answer. Percentages may not add to 100% due to rounding. 						

1. As you know, there will be an election for Seattle City Council in November. Have you been following the race in your district? Would you say you have been...

2023 ~~2021~~

26 31 Paying Close Attention
50 49 Paying Some Attention
22 20 Not Really Paying Attention
1 1 No Answer

2. How have you been learning about the candidates? Which of the following, if any, have you gotten information from about the city council races?

3.0 AVERAGE NUMBER OF SOURCES NAMED

- 3.** Would you say that this election is:
- 43** Critical to the future of the city
 - 37** Important, but not critical
 - 17** No more important than any other election
 - 3** No opinion
- 4.** Thinking ahead to the November election, which of these issues are important to you as you decide how to vote in the city council races?
- MULTIPLES ALLOWED**
- 68** Homelessness
 - 51** Crime
 - 44** Affordable housing
 - 43** Policing / Police Department
 - 37** Drug abuse
 - 36** Condition of downtown
 - 32** Condition of the city's streets, sidewalks and bridges
 - 28** Zoning and housing density
 - 26** Education
 - 26** Taxes
 - 25** Transportation
 - 22** Opportunities for disadvantaged residents
 - 18** Traffic
 - 16** Parks
 - 13** Government / public officials
 - 13** The tree ordinance
 - 7** [OTHER]> _____
 - No opinion]

The next few questions are about some issues being discussed in the campaigns. Of course, the city government has finite resources, and cannot do everything at once. So hard choices sometimes have to be made about how to prioritize the city's attention.

- 5.** On the issue of homelessness, if you had to choose, which approach should have the higher priority for city government resources:
- | <u>2023</u> | <u>2021</u> | |
|-------------|-------------|---|
| 41 | 41 | Moving the tents out of parks and public areas and moving their occupants into temporary shelters |
| 55 | 54 | Developing permanent housing and mental health services for people experiencing homelessness |
| 5 | 5 | No opinion |

6. With regard to the police department, are you more inclined to favor...2023 2021**64** 54 Hiring more officers and providing more training**30** 38 Taking money out of the police budget to give to programs and community organizations to address the root causes of crime**6** 8 No opinion**7.** With regard to downtown, which of these statements comes closest to your opinion:2023 2021**59** 62 City government should direct significant time and resources to restoring and revitalizing downtown**34** 27 City government should focus time and money on other priorities.**7** 14 No opinion**8.** When you vote for City Council, are you hoping to...**44** Significantly change the direction of the Council**41** Modify the Council's direction a little**9** Maintain the general direction of the current council**6** No opinion**9.** Will you be more likely to vote for**49** A progressive candidate**37** A centrist candidate**14** No opinion**10.** As you know, the council members will be elected by district. As things stand today, are you inclined to vote for...[Respondents were read candidate names in their district. Individual district results are not reported due to small sample size.]

PERCENT CHOOSING

33 PROGRESSIVE**31** CENTRIST**36** UNDECIDED

- 11.** The next few questions are about how you evaluate the candidates for City Council. All else being equal, would you be more likely to vote FOR or AGAINST a candidate who...

	FOR	NO DIFF	AGNST	NO OPIN
A Supports Mayor Bruce Harrell's agenda	45	25	15	15
B Supports hiring more police officers	65	12	18	5
C Supports building more multi-family housing in your neighborhood.	55	16	24	5
D Supports a law to make public drug use a gross misdemeanor and giving the city attorney the ability to prosecute those arrests.	59	13	21	7
E Supports creating a new department for non-police emergency response	72	12	12	4
F Supports city funding of substance abuse treatment for people in public housing	72	13	9	6
G Supports a three-year moratorium on the new Jumpstart tax, which taxes large businesses on employee salaries over \$150,000 per year.	36	12	39	13

- 12.** The City government budget is projected to be about \$244 million in the red by 2025. To cover that budget shortfall...

ROTATE	SUPT	OPP	NO OPIN
A Would you support or oppose some form of new tax on Seattle's largest businesses ?	63	28	9
B Would you support or oppose some form of new tax on the highest income Seattle residents?	60	30	9

- 13.** Also on the November ballot will be the Seattle Housing Levy, which pays for affordable housing. This levy is designed to replace and expand the levy passed in 2016. If passed, this new levy would increase property taxes by about \$260 per year for the median Seattle house, valued at \$866,000.

As things stand today, are you inclined to...

ROTATE TOP / BOTTOM

- 28** Definitely vote for the levy
- 29** Probably vote for it
- 13** Probably vote against it
- 21** Definitely vote against the levy
- 9** Undecided

14. I have just a few last questions for our statistical analysis. How old are you?

- 18 18-35
- 24 36-50
- 22 51-64
- 34 65+
- 1 No Answer

15. How long have you lived in Seattle?

- 5 Less than 5 years
- 13 5-10 years
- 20 11-20 years
- 31 21-40 years
- 29 More than 40 years
- 2 No Answer

16. Do you own or rent the place in which you live?

- 65 Own
- 35 Rent

17. Now I am going to list four broad categories. Just stop me when I get to the category that best describes your approximate household income - before taxes - for this year.

ROTATE TOP/BOTTOM

- 26 \$75,000 or less
- 15 \$75,000 to 99,000
- 17 \$100,000 to 149,000
- 12 \$150,000 to \$199,000
- 18 \$200,000 or more
- 12 [DO NOT READ: NO ANSWER]

18. What is your gender?

- 47 MALE
- 51 FEMALE
- 2 NON-BINARY

BANNER TABLES

READING THE CROSSTABULATION TABLES

The crosstabulations found in this report are presented in a "banner table" format. Categories of respondents (e.g. "35-54 years old," or "Female") are listed across the top of each page (the "banner"). The questions asked in the survey are listed down the left margin. The figures in the cells are the number who gave an answer and the percentage based on the number of respondents in the category at the head of the column (e.g., women).
