Sponsored Content

Sponsored content allows sponsors to tell a richer story or communicate a more complex point of view. Cascade Public Media will work with a sponsor to develop a compelling article and video that reaches Crosscut’s and KCTS 9’s educated, influential audience. There are many ways to direct Cascade Public Media’s viewers and visitors to sponsored content, including email, social media and broadcast. All sponsored content is clearly labeled.
Underwriting/Video Series and Podcast

Video Series:
Underwriting a Crosscut video series supports coverage for important local issues like mental health, climate change, and Northwest history in our community. Episodes are published on our website, newsletters, social media feeds, and aired on KCTS 9 television. As an underwriter, your message stays with each episode providing both depth and reach with both Crosscut and KCTS9’s audience.

Podcast Series:
Crosscut’s coverage is at the center of our most important issues in the Puget Sound Region and the Crosscut podcast series is no different. Message to our young, loyal audience of audiophiles as we dive into conversations with politicians, authors, journalists and many other influential guests. Our podcast series are throughout the year and offer a valuable, civically-engaged audience to an underwriter.
Talk to your Account Manager about upcoming series, topics, and opportunities.
CROSSCUT FESTIVAL

Thought-provoking conversations and innovative thinking, tackling the most important issues of our times. Journalists, politicians, authors, and newsmakers from our community and around the nation come together to take a hard look at the people, policy and events that shape our lives.
