# REPORT OF INVESTIGATION

## Primary Officer's Narrative

Case #
21-003026

Officer's Name: Sarah Clasen

Badge No.: 478

On February 18, 2021 at approximately 1942 hours I was advised of a 2 car hit and run collision on State Route 395 near milepost 46. WSP Communications advised a dark colored Dodge Charger or Dart struck the rear of a Toyota Highlander and then fled the scene. The victim driver advised the vehicle would have heavy front end damage from the collision and was last seen southbound from State Route 17.

On my way to the collision I looked for any vehicles matching the description but did not locate any. When I arrived on scene the victim driver, Jessica Bradshaw, advised she was in lane 2 (inside lane) traveling approximately 70 MPH when a vehicle came up behind her at a high rate. Ms. Bradshaw stated that the vehicle then backed off, but then came back up on her as she was passing a semi-truck. Ms. Bradshaw stated she pulled to the right after the collision and the vehicle that hit her pulled to the left. The causing vehicle stayed for a moment and then drove off to the south without providing any information. Ms. Bradshaw noted the vehicle had "Dodge lights" and was dark colored. Ms. Bradshaw's vehicle had damage to the left rear bumper that broke a red reflector light and pushed the bumper into the wheel well. The damage was reportable and would have been evident to both driver's that the collision had occurred. Ms. Bradshaw's bumper had to be pushed back with a hammer before her vehicle could be underway. Ms. Bradshaw provided a written statement and I photographed her vehicle.

An immediate search of the area did not produce the running vehicle or any leads. However, after clearing my contact with Ms. Bradshaw I was advised by WSP Communications that another Officer was requesting assistance with a combative subject on SR 395 near milepost 30.

When I arrived on scene the subject had been detained and Franklin County and Pasco Police were out as well. I observed a black Dodge Charger Police Interceptor (WA: XMT 56622D) off to the right shoulder with the lights on. I was informed by Officer's on scene that the driver of the vehicle was under arrest for DUI, and had been in an altercation with a Franklin County Sergeant.

Inspection of the vehicle revealed fresh front end damage to the front right push-bar, headlight, hood and fender. All damage observed on the patrol vehicle was constant with the damage that was sustained to Ms. Bradshaw's Toyota Highlander. The area that the Dodge went off the roadway had no obstructions that would cause damage consistent with that on the Dodge. There was in fact, red plastic particles consistent with the broken reflector on the rear of the highlander, and the height of the damage matched on both vehicles. The push-bar on the passenger side of the Dodge had been pushed back so far that it had rubbed on the tire causing a large deformity in the tread, which likely caused the vehicle to pull to the right.

I observed the driver, who was in custody of Franklin County deputies while he was being assessed by medical personal. I received the name and date of birth for the driver as Shane William Jones 6/11/71. The DOL photo provided by WSP Communications matched that of the person that was in custody, confirming the driver's identity. DOL shows Mr. Jones not license with an ignition interlock requirement. I checked the driver's area of the Dodge and did not observe any interlock installed. I also noticed a seat caddy on the passenger seat and items including a gun and prescription medications on the floor of the passenger seat and a K9 in the back seat indicating that there would be no other passengers present in the vehicle at the time of the collision (with exception of the K9.) No insurance was present.

Franklin County Deputies handled the DUI, Assault, and Theft of a Motor Vehicle charges and I completed my hit and run investigation.

The associated Franklin County case number is: 21-00638

- I have enclosed a check or money order, in U.S. funds, for the amount listed. I understand this will go on my driving record if "traffic" is checked. DO NOT SEND CASH. NSF checks will be treated as failure to respond.
- Mitigation Hearing. I agree I have committed the infraction(s), but I want a hearing to explain the circumstances. Please send me a court date, and I promise to appear on that date. I know I can ask witnesses to appear but they are not required to appear. I understand this will go on my driving record if "traffic" is checked. The court may allow time payments or reduce the penalty where allowed by law.
- Contested Hearing. I want to contest (challenge) this infraction. I did not commit the infraction. Please send me a court date, and I promise to appear on that date. The state must prove by a preponderance of the evidence that I committed the infraction. I know I can require (subpoena) witnesses, including the officer who wrote the ticket to attend the hearing. The court will tell me how to request a witness's appearance. I understand this will go on my driving record if I lose and "traffic" is checked.
