Synopsis:	
-----------	--

Narrative:	<p>On 1/27/2021 I was working a two man fully marked patrol unit for the Tacoma Police Department with my partner, PPO Ventura. We were both wearing our issued Tacoma Police Department uniforms that identify us as police officers.</p> <p>At approximately 0205 hours, we responded to the report of a help the officer call at N. 27th and Deidra Circle. The caller, O1/TROYER, reported that he was at the listed location and he was reporting that a subject was making threats to kill him. O1/TROYER reported that he was in his personal vehicle (white Tahoe) and that he had the subject blocked in.</p> <p>This call was dispatched at the highest priority and it was broadcasted to all SS911 agencies. Over 40 officers, deputies and troopers responded to the call.</p> <p>PPO Ventura and I arrived first and located a turquoise Geo Prism (WA/BWB5872) parked in the middle of the street facing E/B in front of 6925 N. 27th St. The vehicle was occupied by a black male who was later identified as O2/ALTHEIMER. O2/ALTHEIMER also showed to be the registered owner of the vehicle. The back seat of the vehicle was filled with newspapers.</p> <p>O1/TROYER was seated in a white Chevy Tahoe that was parked in the middle of the street facing the Geo Prism. The vehicles were approximately 50 feet apart but both in the middle of the street.</p> <p>O2/ALTHEIMER was upset and shouted at officers as we made contact with him. He ranted, "I'm a black man in a white neighborhood" and he commented on the number of officers that arrived on the scene.</p> <p>PPO Ventura contacted O2/ALTHEIMER and asked him to step out of the vehicle. O2/ALTHEIMER reluctantly complied and he was escorted to our nearby patrol vehicle. PPO Ventura conducted a frisk for weapons that met with negative results. PPO Ventura used interview skills to de-escalate the situation and obtain a statement from O2/ALTHEIMER about what had happened.</p>
------------	--

PPO Ventura learned that O2/ALTHEIMER is a newspaper carrier who works in the area six days a week. O2/ALTHEIMER described that he was delivering papers when he believed he was being followed by O1/TROYER. He advised that O1/TROYER followed him as he delivered papers and questioned him as to what he was doing and where he was. O2/ALTHEIMER ranted that he did not feel like he needed to answer O1/TROYER's questions and he acknowledged that he knew who O1/TROYER was. When asked, O2/ALTHEIMER repeatedly denied that he made any threats towards O1/TROYER and he just wanted to finish his paper route.

I spoke with O1/TROYER and asked him to explain to me what happened. O1/TROYER advised that he was home asleep when he heard something outside. He observed O2/ALTHEIMER driving his vehicle in and out of driveways in the neighborhood. O1/TROYER described that he got into his personal vehicle and attempted to make contact with O2/ALTHEIMER and talk to him.

I specifically asked O1/TROYER if O2/ALTHEIMER ever made any threats towards him or displayed any weapons. O1/TROYER advised that O2/ALTHEIMER never threatened him and he did not observe O2/ALTHEIMER with any weapons. O1/TROYER described that when he confronted O2/ALTHEIMER at the listed address it was clear he," wanted to fight."

I informed O1/TROYER that O2/ALTHEIMER appeared to be a newspaper carrier and he was on his regular route. O1/TROYER advised that we should let him go if that was the case.

Sgt. Storwick arrived at the scene and I briefed him on the situation. I explained that there was no articulable crime that had occurred and that I was going to release O2/ALTHEIMER to continue his work. He agreed and O2/ALTHEIMER was released from the scene. O1/TROYER was also released from the scene as there was no articulable crime that had occurred.

Lt. Stark arrived at the scene and he was briefed on the situation by Sgt. Storwick.

In the rush to respond to an officer needs help call, I mistakenly left my BWC on the charger at the 2 sector sub station. I realized once on scene that I had forgotten my BWC and I advised Sgt. Storwick when he arrived at the scene. PPO Ventura did use his BWC at the scene.

Nothing further. Lawless 208358

Synopsis:

Narrative:

1/27/2021

At approximately 0205 hours, dispatch advised of a priority backup call in Tacoma. A suspicious person was reported near the area of Sheriff Troyer's residence in North Tacoma. Sheriff Troyer confronted the subject and waited until TPD arrived. Sergeant Youngman and I responded from the South Hill Precinct. We were canceled by TPD and CAD indicated no crime. We decided to continue to offer support to Sheriff Troyer. TPD was not on scene when we got there. I arrived at approximately 0235 hours. We spoke with Sheriff Troyer and I offered to park a patrol car at his house for his safety yet he declined the offer. I made a command duty officer notification through my chain of command.

Nothing further at this time.

Synopsis:

Narrative:

On 1-27-21, at approximately 0205 hours, I responded along with several Deputies to the area of 27th St and Deidra Cir N for an officer needs help call. I responded from the South Hill Precinct at 160th St E and Meridian Ave E. Dispatch advised that the caller was Sheriff Troyer and he was reporting a male in that area threatening him.

At around 0209 hours dispatch advised that Tacoma PD requested just one more unit to the scene. At this time I was still a great distance from the call. I slowed to a routine response and continued to the call in case any support or follow up was needed.

I arrived at around 0235 hours. I passed by a Tacoma PD Sgt who informed me that there had been no crime of any kind. Tacoma PD cleared the scene. I spoke briefly to Troyer who advised that he was fine. Sgt. Blair 57 arrived and also spoke briefly to Troyer offering to post a guard detail if he felt there was to be any further issues. Troyer declined. I cleared the scene. At that time I did not believe a report was going to be written regarding the incident.

Sgt. Blair advised me that due to the nature of the call (reported threats) he was going to send a notification to the SHRCDO email group. On 1-28-21 I spoke with Lt. Brown 34 to confirm that he received Sgt. Blairs email and was aware of the call. I was also notified on that date that a report was going to be written regarding the incident. Lt. Brown advised me to complete a supplemental report.

Nothing Follows.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
